What is in the drink set

The strawberry-red Frappuccino is available only in Grande and blends chunky strawberry, vanilla and coffee, topped with strawberry-flavoured whipped cream and freeze-dried strawberries. The drink set is S$19.90 and comes with:

- The Starbucks BTS THE CITY ARIRANG Frappuccino
- A BTS THE CITY ARIRANG reusable cup with straw
- A BTS THE CITY ARIRANG cup bag with charm

The drink set is S$19.90. Image: Starbucks Singapore

How to get it

The set is available for a limited time from 1 December at Starbucks stores across Singapore, for in-store orders only, including Mobile Order & Pay, while stocks last. Expect queues on opening weekend if the last Starbucks collectible drop is any guide.

Starbucks Jewel Changi Airport experience store

Starbucks Jewel Changi Airport will be dressed with BTS THE CITY-inspired elements through December. Starbucks suggests dropping by to take photos with your Frappuccino, though you can also just pick one up from a neighbourhood outlet. The images shown are for illustrative purposes only, and actual appearance may vary.
