The Parkway Parade room is a 35-seater on the mall's first floor. Opening hours are daily 11am to 10pm. The brand is not Halal-certified. The Raffles City flagship at #B1-44C continues on the same daily hours; the uni add-on is listed as exclusive to Parkway Parade.

What the Goshoku Set includes

The Goshoku Set at S\$19.90++ is the entry omakase-style course: seasonal chawanmushi, a chef's appetiser, three ochoko mini dons, a sushi platter, a negitoro hand roll and miso soup. A Goshoku Aburi Set at the same S\$19.90++ swaps in the torched version. A la carte sushi starts from S\$1.99++ a piece, sashimi from S\$2.99++ and hand rolls from S\$3.99++.

From 5 to 30 September 2026, diners who order any omakase course at Parkway Parade can add 30g of Hokkaido nama uni with toasted seaweed for S\$18.80++ instead of S\$38.80++. Variety can rotate with the season, and the add-on runs while stocks last.

The Hokkaido uni add-on at S\$18.80++ stays on the Parkway Parade menu through 30 September 2026, while stocks last.
