

Sushiro Orchard Gateway 1-for-1 Sushi Deals: Prices From \$2.30, Ends 3 September

Description

Sushiro's newest outlet just opened at Orchard Gateway, directly connected to Somerset MRT, and the **Sushiro Orchard Gateway 1-for-1 sushi deals** are why the queue was already snaking past the escalators on opening day. Six different plates go 1-for-1 on rotation between 21 August and 3 September 2026, with prices starting from \$2.30++ per pair. If you have been waiting for an excuse to lepak at Somerset after work, this is it.

This is Sushiro's 24th outlet in Singapore, tucked into Basement 1 at 277 Orchard Road. The conveyor-belt setup here runs the same 100-plus varieties as other outlets, but the opening promotion is what makes the next two weeks worth planning around. Each 1-for-1 pair is served on a single plate, so you are not queuing twice for the same deal.

Sushiro Orchard Gateway 1-for-1 Sushi Deals: Full Schedule (21 August to 3 September)

The promotion changes every two to three days, so the deal you see on a Monday visit will not be the same one on Friday. Here is the full run, confirmed by Sushiro:

- **21 to 23 August:** Bluefin Fatty Tuna, 2 pieces for \$4.90++ (usual \$9.80++)
- **24 to 25 August:** Big Red Shrimp, 2 pieces for \$2.30++ (usual \$4.60++)
- **26 to 27 August:** Big Cut Fresh Salmon, 2 pieces for \$2.90++ (usual \$5.80++)
- **28 to 30 August:** Marinated Uni Wrap, 2 pieces for \$3.90++ (usual \$7.80++)
- **31 August to 1 September:** Medium Fatty Tuna, 2 pieces for \$3.90++ (usual \$7.80++)
- **2 to 3 September:** Aburi Soy Sauce Engawa, 2 pieces for \$2.30++ (usual \$4.60++)

Every pair is halved off the usual price, so the earlier dates with fattier cuts like bluefin tuna are the better value if you are chasing the biggest saving. The Big Red Shrimp and Aburi Soy Sauce Engawa slots are the cheapest entry points at \$2.30++ for two pieces.

Drinks at Promo Prices Too

Three alcoholic drinks are also discounted for the full two-week window, not just on rotation. Pair your sushi run with one of these:

- Lemon Sour: \$6++ (usual \$8++)
- Premium Malts: \$6++ (usual \$10.50++)
- Kaku Highball: \$6++ (usual \$9++)

Opening Day Spin the Wheel

If you missed the 21 August opening, this part has passed, but it is worth knowing for the next Sushiro launch. Diners who spent at least \$50 on a single receipt got one spin on a prize wheel, with dining vouchers and branded merchandise up for grabs. The activity ran on a while-stocks-last basis, so early birds had the better odds.

Booking a Table

Reservations open through the SUSHIRO Singapore app, but only a limited number of seats are released for advance booking each day. Walk-ins are accepted once reservation slots run out, so arriving slightly before a meal period still works if you cannot get an app slot. Kiasu readers should book as early as the app allows, especially for dinner slots in the first few days of each new rotation.
