The image is a promotional graphic for the 7-Eleven app's 'Value Packs' feature. It features a green background with an orange header on the left containing the 7-Eleven logo and the text 'app EXCLUSIVE'. On the right, the words 'VALUE PACKS' are written in large, bold, white letters with a yellow star above the 'V'. The central focus is a smartphone displaying the app's interface. The app screen shows a search bar at the top, followed by a banner that says 'BUY MORE, SAVE MORE' and 'Bulk-buy vouchers: SAVE & redeem it anytime'. Below the banner, there are several product listings with their respective prices and discounts. The first listing is for 'Betagro Chicken Breast' at \$25.00 for 10 vouchers, with a 19% discount. The second is for 'Hanjuku Eggs 100g' at \$22.00 for 10 vouchers, also with a 19% discount. The third is for 'Betagro Sausage' at \$19.00 for 10 vouchers, with a 21% discount. Each listing has a green 'View' button. At the bottom of the phone screen, there are more product listings with discounts of 57%, 48%, and 41%. To the left of the phone, the text 'BULK BUY VOUCHERS, SAVE & REDEEM ANYTIME!' is written in large, bold, white and yellow letters. A faint watermark 'default watermark' is visible across the center of the image.
