

TANGS 12% rebate sale: stores Fri 25 and Sat 26 Sep, TANGS.com to Sun 27, up to 60% off

Description

TANGS is giving members a **12 per cent rebate** on eligible spend, alongside markdowns of up to 60 per cent, in stores on **Friday 25 and Saturday 26 September 2026** and on TANGS.com until **Sunday 27 September**.

Stores run the sale from 10am to 10pm on both days. For Classic members, 12 per cent is double the usual 6 per cent rate. Preferred members normally earn 10 per cent.

The membership catch

The rebate is paid to Classic and Preferred members only. Insider, the free sign-up tier, earns nothing. An Insider account moves up to Classic after \$80 nett spend, excluding GST, on a single receipt. Preferred takes \$5,000 over 12 months.

Rebates are counted on nett spend excluding GST, after discounts, gift cards, vouchers and any rebates redeemed, and rounded down to the nearest \$10. Each transaction needs at least \$10 nett to earn.

Rebates can be used on the next purchase in store or on TANGS.com, with no cap on how much goes into one order. They expire 12 months after they are earned. In store, members show the virtual member card in the TANGS app at payment.
