

The Click Five For Lovers Tour Singapore: Arena @ EXPO Ticket Guide

Description

The Click Five are returning to Singapore with The Click Five For Lovers Tour on 29 August 2026. Live Nation Singapore lists the venue as Arena @ EXPO and the show time as 8pm, with Ticketmaster named as the ticketing channel.

The concert is a nostalgia-heavy booking for fans who remember the band's early-2000s pop-rock run. Ticketmaster's event page also notes the context: after two sold-out shows in May 2025 at Capitol Theatre, the band is making its Singapore return at a larger EXPO venue.

Key Concert Details

Live Nation's event page lists The Click Five For Lovers Tour for Saturday, 29 August 2026. The show is at Arena @ EXPO, a venue that works differently from a city-centre theatre, so fans should factor in travel time around Expo MRT and Singapore EXPO crowds.

The Singapore EXPO event page lists the event window from 8pm to 10pm and identifies Live Nation Concerts Singapore as the organiser. It also points ticketing queries to the ticketing website.

- Date: 29 August 2026.
- Venue: Arena @ EXPO.
- Show time: 8pm.
- Organiser: Live Nation Concerts Singapore.
- Ticketing channel: Ticketmaster Singapore.

Live Nation's official artist image supports The Click Five Singapore concert listing.

VIP And Entry Notes

Live Nation lists VIP packages for the Singapore show. The Click Five Ultimate VIP Package includes one standing ticket, a pre-show group photo with the band in a group of five, pre-show soundcheck, an autographed VIP tour laminate, early entry into the performance hall for Tier 1 and priority merchandise shopping if available.

An Early Entry package is also listed with one standing ticket and early entry into the performance hall for Tier 2. Fans choosing between packages should decide whether the photo and soundcheck elements are worth the jump before entering the booking flow.

How To Plan The EXPO Night

Arena @ EXPO is convenient by MRT, but concert exits can still bunch up. If you are meeting friends, agree on a post-show meeting point before entering the hall, especially if different ticket tiers use different entry flows.

The EXPO page states that flash photography, videography and social media livestreaming are prohibited, and that no outside food and beverages are allowed. Water bottles are allowed only if they are not glass or single-use plastic, and must be emptied before entry.
