

The Makers Ground At EXPO Brings A Creative Weekend To Singapore EXPO

Description

[The Makers Ground @ EXPO](#) gives Singapore readers a practical date-and-hall marker for the next EXPO visit, with the event running 1 to 2 August 2026 at Foyer 2, Level 1 and Level 2.

The useful details are not complicated, but they matter if you are choosing between a quick weekday browse and a longer weekend trip: the event hours are 10am to 6pm, and the strongest fit is visitors looking for a creative weekend market rather than a full-scale hall fair.

Date, Hall And Hours

The Makers Ground @ EXPO is listed for 1 to 2 August 2026 at Foyer 2, Level 1 and Level 2. The Singapore EXPO timing is 10am to 6pm, which makes it workable for a full-day visit or an evening stop after work depending on the event date you pick.

Because EXPO halls can host several large events in the same week, readers should use the named hall rather than only the venue name when arranging meet-ups, ride-hailing points or family plans.

- Event: The Makers Ground @ EXPO.
- Date window: 1 to 2 August 2026.
- Venue: Foyer 2, Level 1 and Level 2.
- Hours: 10am to 6pm.

What It Is For

This is a more compact EXPO pick than the large consumer fairs, with the listing placing it around Foyer 2 across Level 1 and Level 2.

That makes it useful for a shorter weekend visit, especially for readers who want to browse makers, gifts or hands-on creative booths without committing to a whole-day itinerary.

- Best for visitors who prefer smaller discovery markets.
- Useful as a pre-lunch or post-lunch stop because the listed hours end at 6pm.

Planning Notes

Arrive earlier if you want the best browsing room. Foyer events can feel busier than hall events because movement spaces are shared with people heading to other parts of the venue.
