## Two Big New Features This Year

Vol. X introduces two new experiences. The **Explorer Pass** is a limited-release add-on that pairs admission with an exclusive flight of five rare whiskies â?? a curated tasting experience for those who

want to go deeper. The second new addition is the **Collectorsâ?? Vault**, a dedicated showcase of coveted bottles from exhibitorsâ?? private collections, all available for acquisition only during the festival.

## **World-Class Guests: Geert Bero**

For the first time, internationally recognised collectors and whisky personalities will take part. Headlining is **Geert Bero** â?? one of the worldâ??s foremost Ardbeg collectors, who has spent nearly 30 years studying and preserving some of the rarest bottles in the whisky world. Through his company Oldies & Goodies, Bero will exhibit bottlings from his personal collection and lead two exclusive masterclasses, including one exploring legendary Moncreiffe bottlings.

## Accessible Pricing

Drams start from **S\$5**, with around 70% of pours priced below S\$50 keeping the festival accessible to newcomers and seasoned maltheads alike. At its heart, it has always remained a festival by maltheads, for maltheads, says co-founder **Billy Tham**. Many of our exhibitors are collectors first, sharing bottles they personally treasure simply because they want others to experience them.
