Description

The Weeknd Singapore 2026 dates are now listed for the National Stadium, with Ticketmaster showing After Hours Til Dawn Tour shows on 2 and 3 October 2026. Live Nation lists its presale on 20 May 2026 at 2pm, while Ticketmaster lists general sale details on the event page.

That gives fans a short planning window to sort accounts, presale eligibility, budget and seating preferences before the sales windows open.

Ticket Planning Notes

Use only official ticketing channels and check the final event page before payment. Large stadium shows can have several seat categories, restricted-view notes and queue rules, so decide your budget before entering the purchase flow.

If you are going with friends, agree on a backup price tier and section in advance. The worst time to debate seats is when a checkout timer is already running.

Getting There

The National Stadium is served by Stadium MRT and connected to the wider Kallang precinct. For sold-out shows, leaving by train is usually easier than waiting for private-hire surge pricing right after the encore.
