Description

Christmas at Jewel Changi 2026 is on from 13 November 2026 to 3 January 2027, and the headline act is a 16m tree standing in Forest Valley. Jewel Changi Airport says the UNIQLO Christmas tree has a brownstone house at its base, while Canopy Park on Level 5 turns into a gingerbread-themed garden called Starry Christmas. It is a decent year-end outing if you are heading to Changi anyway, or if the kids need somewhere cooler than outdoors.

What is at Christmas at Jewel Changi 2026

There are three pieces to the programme, all listed on Jewelâ??s own Christmas page. The tree and the snowfall sit in the Forest Valley atrium, while the Starry Christmas display is up in Canopy Park.

- UNIQLO Jewel Christmas Tree: 16m tall, at Jewel Forest Valley, inspired by the UNIQLO Holiday theme â??Gifts for Allâ?•, with a brownstone house at the centre
- Starry Christmas at Jewel Canopy Park: Level 5, dressed with festive displays and gingerbread characters
- Let It Snow: a snowfall show at both Forest Valley and Canopy Park

The address is 78 Airport Boulevard, Singapore 819666. Jewel is connected to Terminal 1 and an easy walk from Changi Airport MRT station on the East-West Line.

Let It Snow show timings

The snow falls in the evening only. Jewel lists two slots on weeknights and three on weekends, with the later shows held at Forest Valley only.

- Monday to Thursday: 8.05pm and 9.05pm (the 9.05pm show is at Forest Valley only)
- Friday to Sunday, plus the eve of and on public holidays: 8.05pm, 9.05pm and 10.05pm (9.05pm and 10.05pm at Forest Valley only)

If you want the snow at Canopy Park, the 8.05pm show is the only one there, so plan to be up on Level 5 by about 7.45pm. Weeknights will be calmer than weekends, and a school-holiday evening will likely be the busiest.

Canopy Park tickets and hours

The Starry Christmas display is in Canopy Park, and Jewel says tickets are sold through the Canopy Park attraction page. Standard admission is S$8 for adults and children. Singapore residents pay S$6, and CapitaStar and Changi Rewards members pay S$5.40 at the Jewel Concierge Counters on Level 1 and Level 5.

Canopy Park is open 10am to 9pm from Monday to Thursday, and 10am to 10pm from Friday to Sunday, on eves and on public holidays. Last admission is 30 minutes before closing. Some rides and attractions, such as the mazes and nets, have a minimum height of 110cm, so check before you promise the little ones.

I could not confirm from the pages whether the Christmas display needs a separate ticket from normal entry, so check the Canopy Park page before you go. Bundles with Changi Experience Studio+ are also listed on that page.

One closure to note

Changi Experience Studio is closed for a private event on 13 November 2026 from 2pm to 8pm, with last entry at 1pm. That falls on the opening day of the Christmas promotion, so skip that slot if the studio is on your list.

Combining it with the rest of Changi

Changi Festive Village is running across Terminals 1 to 4 and Jewel until 3 January 2027, with activities at Jewel continuing to 31 January 2027. We covered the Pokemon side of it in our Pikachu meet-and-greet and snow show guide, so you can stack both in one trip. For a bite afterwards, see our note on Chipotle heading to Jewel in 2027.

For a festive meal outside the airport, our round-ups of the Orchard Cafe Christmas buffet and the Conrad Singapore Marina Bay festive line-up are good places to start.
