The Trip.com 11.11 sale runs from 11 to 14 November 2026, and it is a timetable sale: different deals drop at set hours each day. Headline offers include up to S$220 off daily for DBS and POSB cardholders, buy-one-get-one flights, all-in fares from S$69 to Kuala Lumpur, and hotel flash deals from S$69 a night. If you have a year-end or early 2027 trip in mind, here is the schedule worth setting alarms for.

Trip.com 11.11 sale dates and the early bird step

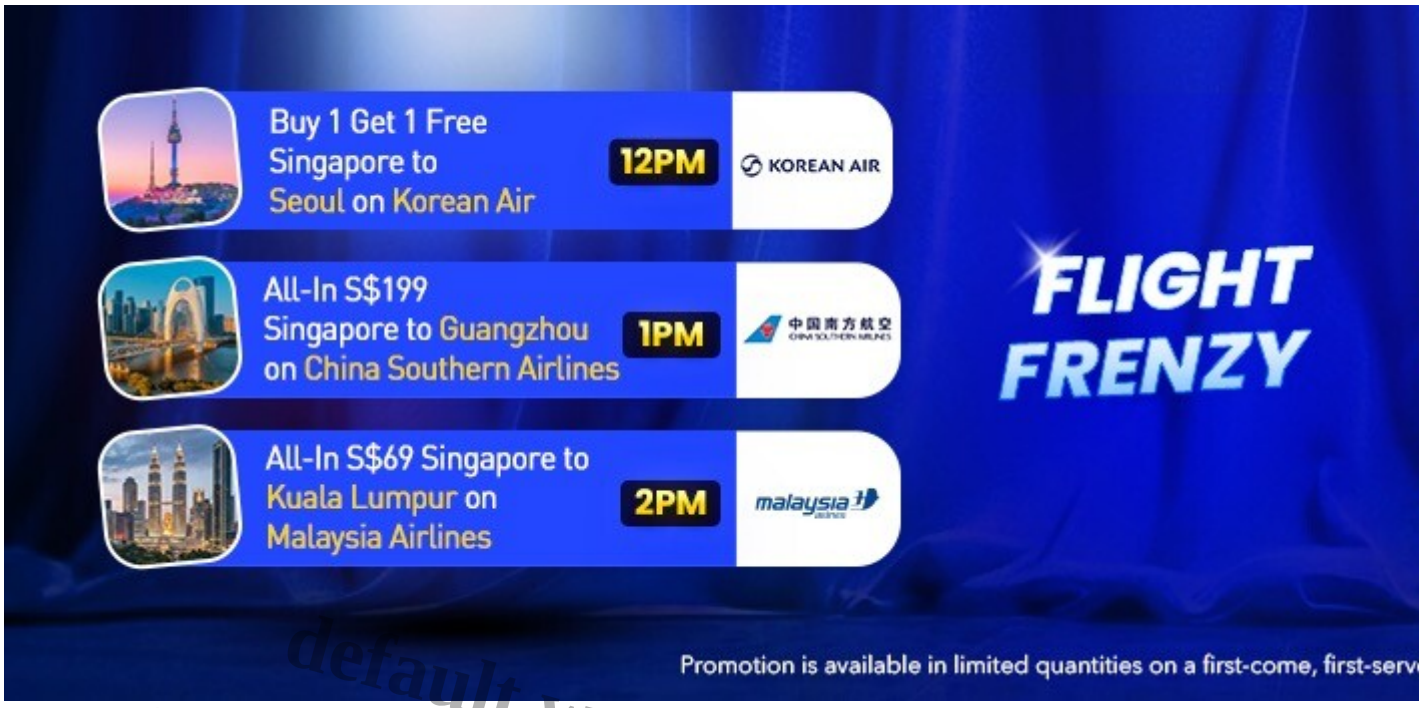

The promotion period is 11 to 14 November 2026, Singapore time, both days inclusive. It works on the Trip.com website, app and mobile site, though some flash sales are app-only, so install the app first.

There is also an early bird step on 10 November, when you can pre-claim vouchers into your wallet. Trip.com says these are only valid for use on 11 November, so do not claim them and forget.

The daily schedule

Here is the timetable as laid out on Trip.comâ??s 11.11 page:

- 12am Midnight Craze: DBS/POSB exclusive of up to S$220 off daily, plus 50% off coupon drops across flights, hotels, attractions, car rental, airport transfers, cruises and package tours
- 12am: 50% off selected China package tours, such as a Kunming, Dali, Lijiang and Shangri-La private tour and a Harbin, Shenyang and Xuexiang group tour
- 10am Double Deals: 15% off flights for a minimum of two passengers, and 10% off hotels for a minimum of two nights, each capped at S$40
- 11am Two to Travel: flight and hotel packages for two

Flight Frenzy fares from S$69

This is the part most people will chase. Trip.com lists these six hourly flight deals from Singapore:

- 12pm: buy one get one free to Seoul on Korean Air
- 1pm: all-in S$199 to Guangzhou on China Southern Airlines
- 2pm: all-in S$69 to Kuala Lumpur on Malaysia Airlines
- 4pm: all-in S$150 to Bali on Jetstar
- 5pm: all-in S$111 to Phu Quoc on Sun PhuQuoc Airways
- 6pm: all-in S$599 to Sydney on Qantas

The page does not say whether the all-in fares are one-way or return, or which travel dates they cover, so check before you get excited. Both the buy-one-get-one and all-in fares are app-only and cannot be combined with other discounts. Buy-one-get-one is limited to two passengers per booking, and all-in fares to one.

Hotel Mania and Two to Travel packages

At 3pm, the hotel flash deals listed include JW Marriott Johor Bahru at S$111 a night and Holiday Villa Johor Bahru City Centre at S$69 a night. There is also a Chimelong Hotel 3D2N package in China at S$99 for two adults and one child. Flash prices for overseas hotels apply to a maximum two-night stay.

The 11am Two to Travel flight and hotel packages for two are priced at:

- S$880 for 5D4N in Bangkok
- S$770 for 5D4N in Guangzhou
- S$660 for 5D4N in Ho Chi Minh City
- S$350 for 3D2N in Kuala Lumpur

That JB rate is a decent weekend shout, though check the ICA traffic advice before you drive up. We wrote about the Woodlands and Tuas checkpoint crowds last week, and peak weekends are no fun.

Attraction tickets at 7pm

The 7pm slot has buy-one-get-one deals on Gardens by the Bay, Taipei 101 and Universal Studios Japan tickets. A separate 50% off drop covers Shanghai Disneyland, Everland and Ocean Park Hong Kong.

For Universal Studios Japan, Trip.com says there is a coupon code for Singapore residents only, on selected ticket types. You apply it on the product page.

Fine print and how to play it

Everything is limited in quantity and first come, first served, and popular dates can sell out within minutes. Prices are dynamic, so refresh before you pay. A few rules to note:

- Promo codes cannot be combined with other discounts, cashback, rewards or loyalty programmes
- If you cancel, the code has to be reapplied, subject to availability
- Special air fares may come with strict change and refund rules
- Using multiple accounts or devices to game the limits can get rewards or bookings cancelled

Our tip: decide on your destination and dates before 11 November, log in early, and have your passport details and card ready. Being a bit kiasu pays off here, because the hourly drops reward people who are already on the page.

Check the live schedule on the Trip.com 11.11 sale page. If you are comparing travel platforms, we have also covered the Klook 11.11 sale and its drop times, and new routes like Vietjet to Nha Trang from 11 December.
