Description

Tsai Chin performs in Singapore on 31 May 2026 with her *Donâ??t Say Farewell* World Tour, and this is one for Mandopop listeners who prefer an elegant, seated concert over a high-screaming arena night.

The show is at Sands Theatre, Marina Bay Sands. The concert is in Simplified Chinese and runs for approximately 120 minutes with no intermission.

Tickets And Timing

The Donâ??t Say Farewell World Tour is a Mandarin concert with a two-hour duration.

Ticket prices are listed from S$108 to S$268 before booking fee, with VIP at S$268 and several reserve categories beneath it. Since there is no intermission, settle dinner, drinks and toilet breaks before entering the ballroom.

The show suits older relatives and long-time fans because Tsai Chinâ??s appeal is built around voice, memory and familiar classics rather than stage spectacle. That also means late entry and mid-show movement will feel more disruptive.

Seat And Transport Notes

Check seat location carefully because Sands Ballroom is not Sands Theatre. It is a ballroom concert format, so the sightline and atmosphere will differ from a traditional theatre musical.

If you are treating this as a family gift, make the transport plan clear. Bayfront MRT is convenient, but post-show pick-up around Marina Bay Sands can still be slow on weekend nights.

The concert is held at Marina Bay Sands' Expo & Convention Centre on Level 5.

Location

Sands Ballroom is at Marina Bay Sands Expo & Convention Centre, 10 Bayfront Avenue, Singapore 018956. Nearest MRT: Bayfront. Maps: Google Maps | Apple Maps.

Seat And Timing Strategy

A Sands Ballroom concert rewards a different booking mindset from an arena show. For Tsai Chin, the centre and mid-room blocks may be more satisfying than chasing the closest seat because the

performance is built around voice, pacing and atmosphere rather than constant movement.

Arrive early enough to find the ballroom level without stress. Marina Bay Sands is easy to reach, but first-time visitors can still underestimate the walk from the MRT, dinner venues and the Expo & Convention Centre lifts.

Who This Concert Suits

This is a strong pick for long-time listeners, parents, grandparents and Mandopop fans who value a calm seated format. It is also a credible gift concert because the listed two-hour duration is manageable and the venue is comfortable.

The show will not suit someone looking for a loud festival-style night. The appeal is in familiarity, phrasing and the emotional weight of songs that many Mandarin-music listeners grew up with.

Dinner And Pick-Up Notes

Book dinner earlier than usual if you plan to eat within Marina Bay Sands. A concert crowd can compress restaurant timing, and a no-intermission show leaves little room for a rushed meal.

For pick-up, agree on a precise location before the concert starts. The post-show crowd around Bayfront Avenue can be messy, so older family members may prefer waiting indoors while the driver circles closer.
