Where and what

The cafe sits at 68 Orchard Road, #04-63/67, inside the Plaza Singapura stretch of Orchard. The September promotion covers the Taiwanese-style buffet during the cafe's usual serving hours. Exact child age bands and any caps on free covers are set in the outlet's terms, so diners should confirm those details when booking or arriving.

School holiday timing

Singapore's September school holidays run through 13 September 2026. The Kids Dine Free line continues to 30 September, so it also covers weekday family meals after schools reopen. Two adult buffet payments remain the trigger for the free child covers under the published promotion.
