Cheaper than your usual Marina Bay food court meal â?? and you get to wear it forever.

What Is In The UNIQLO Chatterbox Collection Singapore Drop

UNIQLO and Chatterbox â?? the Mandarin Orchard Singapore institution â?? co-developed six designs that nod to the restaurantâ??s signature dishes. Expect playful illustration-style prints sized for the UTme! customisable range.

Pricing tracks the Thank You Festivalâ??s other UTme! pieces, so expect entry-level prices in the S$9.90 to S$19.90 range depending on base garment.
