

Unlabelled Run 2026 Marks 10 Years At Singapore Sports Hub

Description

Unlabelled Run 2026 takes place on 6 June at Stadium Roar, with organiser The New Charis Mission marking the event's 10th anniversary. This year's theme is Drop the Label, See the People.

The run is not positioned only as a fitness event. Its advocacy is about removing prejudicial labels and building a more inclusive, cohesive and compassionate society, with attention to groups such as youths, seniors, ex-offenders, neurodivergent individuals, persons with physical challenges and migrant workers.

Why It Is Different

Singapore has plenty of themed runs, but this one is built around social perception. The title itself asks participants to notice how quickly people are defined by labels before their actual stories are heard.

That makes the event suitable for families, school groups, companies and faith or community groups that want a shared activity with a message. It can also be a simple entry point for younger participants learning that inclusion is not only a classroom word.

- Date: 6 June 2026.
- Venue: Stadium Roar, Singapore Sports Hub.
- Organiser: The New Charis Mission.
- Theme: Drop the Label, See the People.

How To Join

The Kallang listing points readers to the Unlabelled Run registration site. As with any community run, confirm distance, flag-off timing, hydration points and baggage arrangements before committing a group.
