## Whatâ??s On at U-CAMP (United Square) and Urban Beat (Velocity@Novena Square)

The workshop line-up spans two very different categories â?? mind and body:

- **Mind:** Coding, robotics, chess, art jamming
- **Body:** Basketball, Jiu-Jitsu, pickleball, climbing, music, yoga

All activities are designed for kids during the June school holidays, with an ethos that is deliberately low-pressure. As UOL put it: â??Itâ??s the pure, simple childhood joys of trying something new just for the fun of it, all under one roof.â•

Workshop schedules can be found via the United Square website and the Velocity@Novena Square site.
