If you want Halloween with younger kids at Universal Studios Singapore, start with daytime [TRICK or THRILLS](#), not the after-dark scare ticket. It sits under Resorts World Sentosa's **Festival of Thrills** season and runs on a regular park day pass.

TRICK or THRILLS is listed from **1 September to 1 November 2026**, generally **10am to 8pm**. On selected Halloween Horror Nights 14 evenings the park day closes earlier at **6pm** so the scare event can load.

What families get in the day

The daytime line-up centres on Illumination's Minions in a new monstrous live show (The Belloween Ball), park trick-or-treat candy stops, and character meet-and-greets in Halloween costumes. Official notes also flag Sanrio's Kuromi, Shrek's Fairy Godmother, Shrek and Fiona, Cookie Monster, Count von Count and Gru's family among the roaming and staged meets.

Keep HHN nights separate

Halloween Horror Nights 14 is a different product: selected nights from **25 September to 1 November 2026, 7.30pm to 12.30am**, separate admission, and not recommended for children under 13. The first two HHN nights this season are **Friday 25 and Saturday 26 September**. Sunday 27 September is not on the published HHN calendar, so a family day ticket that weekend is still the TRICK or THRILLS path unless you buy a scare-night ticket for Fri or Sat.

Show and character times can shift. Check the USS app on the day you go. Tickets and the latest TRICK or THRILLS notes are on [rwsentosa.com](https://www.rwsentosa.com).
