Smartphone shoppers in the west have a new destination to look forward to. **vivo Singapore** is opening its second **vivo Experience Store** at Jurong Point on **Saturday, 19 September 2026**, and the brand is marking the occasion with a full afternoon of flash sales, giveaways and a grand lucky draw from 1:00pm.

It is the brandâ??s second retail outlet on the island, following the vivo Experience & Service Store at 313@somerset that opened earlier this year. The new store gives shoppers in the west a place to get hands-on with vivoâ??s latest Y, V and X Series phones, and to grab some genuinely sharp opening-day deals.

The headline deal: vivo V70 FE at 72% off

The biggest draw is an exclusive **72% discount on the vivo V70 FE**, which brings the phone down to just **S$199** from its usual price of S$599. There is a catch worth noting: only three sets are available at this price, and only on grand opening day itself, so it pays to arrive early. The V70 FE is no lightweight either, pairing a 200MP OIS main camera with a 7,000mAh battery and 90W FlashCharge.

Flash sales and the new vivo V80 Lite 5G

vivo is also releasing the **vivo Buds Air3** at just **S$9.90** (usual price S$69) across two flash sale sessions: 25 units at 2:30pm, and another 25 units at 5:00pm, while stocks last.

The grand opening doubles as an early-access moment for the newly launched **vivo V80 Lite 5G**. The first 20 customers to pre-order the device during the celebrations will receive a complimentary vivo Goodie Bag worth S$199. The V80 Lite 5G comes in 24GB (8GB + 16GB) + 256GB at S$699 and 18GB (6GB + 12GB) + 128GB at S$499, in three colours: Afterglow Pink, Emerald Green and Dawn Black.
