

vivo X300 FE Coming to Singapore on 25 May â?? ZEISS Super Telephoto in a Compact Design

Description

default watermark

Compact design. Super telephoto capability. All co-engineered with ZEISS.

vivo Singapore is bringing the **vivo X300 FE** to market on **25 May 2026**, hosting an exclusive media launch event at Swee Lee Clarke Quay before the device goes on wider sale. If youâ??ve been eyeing vivoâ??s latest collaboration with ZEISS, the wait is almost over.

A ZEISS-Powered Compact

The vivo X300 FE is co-engineered with ZEISS and brings a Super Telephoto Camera to a compact smartphone form factor â?? a pairing that positions it firmly in the conversation around premium mobile photography in a pocket-friendly design. The full specification sheet will be unveiled at the launch event on 25 May.

Launch Event Details

Date: 25 May 2026, Monday
Time: 2:00pm â?? 5:00pm
Venue: Swee Lee Clarke Quay, Blk 3B River Valley Rd, #01-06 Clarke Quay, Singapore 179021

Media and invited guests will get early hands-on time with the device ahead of its public release â?? along with a first look at what vivo and ZEISS have put together in this latest collaboration.

Stay tuned to Little Big Red Dot â?? weâ??ll have the full specs, pricing, and hands-on impressions live on 25 May.
