Every reward needs a VivoRewards account, and spending has to be scanned to it at a participating store. Receipts from FairPrice Xtra do not count. Most offers allow up to two same-day receipts.

The spend tiers

- S\$150 in up to two same-day receipts: a VC20 x The Art Faculty pouch. Limited to the first 120 members a day on weekdays and 240 on weekends.
- S\$300 in up to two same-day receipts: a VC20 x The Art Faculty tote bag. Limited to the first 100 a day on weekdays and 150 on weekends.
- S\$300 for Gold members: a S\$10 MINISO Friends eVoucher on top, for the first 40 a day.
- S\$120 in a single receipt for new members: a S\$5 VivoCity eVoucher, for the first 1,000 sign-ups across the campaign.

Gifts are collected at the Information Counter on Level 1 on the day of purchase, one per member per day. Mapletree and VivoCity donate S\$2 to the Autism Resource Centre (Singapore) for every pouch or tote redeemed. The Art Faculty, whose artists drew the designs, is the centre's social enterprise.
