The jam is run by Third Floor, the bar on the top floor of Design Orchard. The name borrows the HDB void deck, the open ground floor where neighbours cross paths without an invitation.

Three kitchens on the steps

Choobys Pizza, Smash Street Burger Bar and SG Brisket Kitchen make up the food line-up, with Raw Wines on drinks. DJ KJC is on the decks from 3pm.

Third Floor looks over one of Orchard Roadâ??s busiest junctions. It runs as a bar and kitchen, open all day except Mondays.
