Experience â??Timeless Japanese Futurismâ?•, step inside the Serena e-POWER and experience a blend of aesthetics and functionality. With its spacious cabin flooded with natural light, zero gravity seats for ultimate comfort, and tri-zone climate control, every journey becomes a relaxing retreat. Convenient features like twin auto-sliding doors and customizable seat configurations elevate the driving experience, while advanced safety features provide peace of mind for you and your loved ones. Plus, with seamless connectivity and charging options, the Serena e-POWER becomes your familyâ??s mobile sanctuary.

You can book your test drive now and take advantage of the special launch offer, with prices starting from $212,800, valid until May 23, 2024.

At Nissan Family Day, get ready for a carnival celebration that caters to every member of the family. While adults explore the Serena e-POWER, kids can enjoy a variety of activities including a bouncy castle, interactive game stations, mesmerizing magic shows, and immersive storytelling sessions. Itâ??s a day filled with laughter, excitement, and unforgettable memories for everyone!

Exclusive Perks for Nissan Customers! Nissan is offering exclusive promotions and discounts on the All-New Serena e-POWER during the event. Take advantage of the special offers, including complimentary tickets to Universal Studios Singapore for the first 30 customers, and exclusive launch discounts, free servicing, COE bonus rebate, and free 1-year Road Tax for bookings made before May 23, 2024. Terms and conditions apply.
