

Year-end school holidays start 21 November, with PSLE results tentatively on 24 or 25 November

Description

default watermark

The year-end school holidays for MOE kindergartens, primary and secondary schools start on Saturday, 21 November, and run to Thursday, 31 December 2026. Term 4 ends on Friday, 20 November, and PSLE results are tentatively due on Tuesday, 24 November or Wednesday, 25 November.

The Ministry of Educationâ??s academic calendar puts two results days, one public holiday and a staggered return to school in January inside the six-week break.

PSLE results are tentatively due on 24 or 25 November, and N-Level results between 17 and 21 December. Chart: Little Big Red Dot, from MOE data

Results days inside the holidays

PSLE results land in the first week of the break. MOE marks the release as tentative. Pupils then have a short window to submit Secondary 1 school choices, set out in our guide to PSLE 2026 results and S1 school choices.

Results for the GCE N(A)- and N(T)-Level examinations follow later, with a tentative release between Thursday, 17 December and Monday, 21 December. The N-Level papers ran from 13 July to 13 October.

For families with a primary school leaver and a secondary student, that puts one results day near the start of the holidays and another a week before Christmas.

Junior colleges break a week later

Junior colleges and Millennia Institute end Term 4 on Friday, 27 November, the same day the GCE A-Level papers finish. Their holidays run from Saturday, 28 November to Thursday, 31 December.

Households with a JC student and a younger sibling get one shared week less. The first week of the primary and secondary break, 21 to 27 November, is still a school week for JC and MI students.

Public holidays in the break

default watermark

Christmas Day on Friday, 25 December is the only public holiday inside the six weeks, which makes 25 to 27 December a long weekend. New Yearâ??s Day on Friday, 1 January 2027 falls the day after the holidays end, and gives a second three-day weekend before school reopens.

Back to school in January

Primary 1, Kindergarten 1 and secondary students start the 2027 school year on Monday, 4 January. Primary 2 to 6 and Kindergarten 2 pupils report a day later, on Tuesday, 5 January.

Junior college Year 1 and Millennia Institute Year 1 students start on Wednesday, 3 February. MI Year 2, JC Year 2 and MI Year 3 students return earlier, on Monday, 11 January.

The 2027 calendar keeps the same rhythm. Term 1 runs to Friday, 12 March, the June holidays run from Saturday, 29 May to Sunday, 27 June, and the 2027 year-end break starts on Saturday, 20 November. Schools close on Tuesday, 9 February, Monday, 3 May and Monday, 27 December 2027 as days off in lieu of public holidays.
